In addition to some of the best national touring tribute bands, the Haverford Spring Fest stage will feature the best homegrown talent climbing the first rungs of the ladder to acclaim. This year, the 6th Annual Haverford Spring Fest presented by ACME Markets will feature a lineup of great local and national talent. Performers include:

- **Broken Arrow- The Music of Neil Young** – Fronted by Joe Mass of Havertown, Broken Arrow has become the country's premier Neil Young tribute band touring the United States. Broken Arrow performs the music of Neil Young, featuring both the rockin' electric Crazy Horse tunes and the more acoustic, pedal steel driven country rock material. The band delivers these classic songs faithfully while taking them on jamming excursions and tastefully tweaking some of the arrangements.
- **Classic Stones Live featuring the Glimmer Twins** – Come join the crowd and show your love for Mick Jagger who is recuperating from a heart procedure. This high powered, Stones inspired performance is led by Glimmer Twins front man Keith Call who has all of the moves and swagger of Mick Jagger. His partner in crime Bernie Bollendorf, portrays rock and roll outlaw Keith Richards. Together they complete the duo notoriously hailed as "The Glimmer Twins". What truly makes Classic Stones Live™ unique, is their musical prowess, attention to detail, and the spot on renditions of all of your favorite Rolling Stones classics!

- **Dave Patten and the First Cut** – Now based in Los Angeles, Dave Patten grew up in Havertown, entrenching himself in the Philadelphia arts scene at a very young age. Early in his career Dave teamed up with rapper Meek Mill and their electrifying and unconventional collaborations launched them onto the city's radar. Dave has toured nationally, has over 65 million views on his music videos online, which he also directs. Dave's new LP, fresh off the presses, will be available at the Haverford Spring Fest. Be among the first to rock out to LIVE IN PHILADELPHIA.
- **Solemnis** - Solemnis is a rock band made up of high school students from around the Philadelphia area. The band members are from Haverford, Garnet Valley, Strath Haven and New Jersey. Solemnis was formed after meeting at Richards Rock Academy in Aston, PA. They were last year's winner of St George's Battle of the Bands in Ardmore. Solemnis has performed at notable venues such as the Trocadero Theatre, The Bitter End in Manhattan and the Wells Fargo Center.
- **Haverford High School Jazz Ensemble - Michael Fein, Director** – Haverford Township is recognized by the NAMM Foundation as among the best Communities for Music Education in the country. The Jazz Residency program at Haverford receives funding from Kelly Music for Life. The program hires an acclaimed Jazz musician to mentor the students throughout the year. Positions in this highly respected group are determined through auditions held annually in the Spring for the following school year. The ensemble participates in the [Essentially Ellington](#) Festival sponsored by Jazz at Lincoln Center through recording submission and performance at the Temple University Regional Essentially Ellington Festival.

The Haverford Spring Fest presented by ACME Markets attracts thousands of attendees to a town known for all things music. The festival grounds are designed with plenty of open space, improved sound and sightlines, stage front seating and a vendor list that will offer even more of what festgoers have come to love. Secure Bike Parking will be available on sight from the Friends of Haverford Trails. (Donations appreciated for the service.)
